

Community Supported Agriculture CSA 2026

Dear Friends,

EatMoGreens.com offers member CSA options during the year ranging from:

- **Full share** from March – December 31, which includes the bonus of free weekly shares for January and February when committing by year's end and paid for by January 15th.
- **Half share** from March – December, with a pick-up of a full share every two weeks. Bonus is not available to the half share members.
- **Summer-Winter** share from June 15 – December 31, with a weekly full share pick up

Cost:

- | | | | |
|----------------|--------|-----------|----------------------------|
| - Full share | \$1350 | March – | December weekly pick up |
| - Half share | \$ 675 | March – | December bi-weekly pick up |
| - Summer share | \$ 675 | June 15 – | December weekly pick-up |

CSA membership is payable at the beginning of your share date in cash or checks made out to Peter Halvorson. For all other arrangements please call.

What we grow throughout the year is shown on our website

<https://eatmogreens.com/what-we-grow/>

Pick up days and locations:

At the Farm Tuesdays after 2pm, Wednesdays at Leesport Market, Thursdays, Fridays, Saturdays by appt at the farm. If possible, please keep to the same day for your pickup and we will accommodate your preferences. If you are unable to pick up or wish to send a friend, just text us. Also, if there is someone you would like to benefit with a share, we'll be glad to accommodate your generosity. We only sell what we grow.

The choice of what produce goes to CSA members is at our discretion based on readiness, freshness and availability of produce. CSA members get the best of our produce ahead of wholesale and market accounts.

For deliveries to your local address: That is an option if you have 4 or more member shares that get delivered to the same place. Distribution from there is the responsibility of the members.

CSA background and origin.

CSA options have been offered for many years, they are intended to support small farms and let people share in the inherent risks of farming.

It is important that you know that the CSA membership is not refundable. It is one of the foundational principles where CSA members everywhere share in the risks of unforeseen disasters or weather/nature events beyond our control that may destroy or damage our crops. CSA membership allows farmers to plan ahead, secure their crops and be financially supported against natural risks. We are grateful to our community, to all who want to eat as healthy and well as they can.
